Mini Coffee Printer - Compact Custom Printing for Coffee and Beverages

The Mini Coffee Printer is a space-saving, professional solution designed for printing high-quality, edible images directly onto coffee, lattes, milk foam, and other beverages. Compact yet powerful, this printer is perfect for cafes, small coffee shops, restaurants, and mobile event services that want to offer personalized and memorable drink experiences.

Utilizing advanced edible inkjet printing technology, the Mini Coffee Printer allows you to add logos, messages, or artistic designs to the surface of drinks with incredible speed and precision. It prints in coffee-color edible ink and supports sharp, single-color image reproduction. Ideal for branding, special greetings, or themed events, the printer turns every cup into a customized work of art.

Its fully automatic height adjustment system and built-in touch screen make operation simple and user-friendly, while the compact size ensures it fits comfortably in any workspace. Whether you're enhancing customer engagement, promoting your brand, or adding a special touch for seasonal offerings, the Mini Coffee Printer brings creativity and value to every beverage.

Key Features:

- **Compact Design:** Slim and portable, ideal for tight counter spaces or on-the-go services.
- **Edible Printing Technology:** Prints directly on beverage foam using safe, food-grade coffee-color ink.
- **Single-Color Precision:** Delivers crisp, single-color designs—perfect for logos, icons, and text.
- **Fast Printing:** Produces high-quality results in just 10–30 seconds per cup.
- **Automatic Height Adjustment:** Infrared-controlled system automatically adjusts to the height of cups and items.
- **Touchscreen Operation:** Built-in software with intuitive controls—no external computer required.
- **Versatile Applications:** Prints on drinks and small edible items like cookies, chocolates, and cakes.

Specifications:

- **Model Number:** GF410M
- **Printing Technology:** Edible Inkjet Printing
- **Printhead:** GNFEI Inkjet Printer Head
