## Textile Pigment Ink (DTG Ink) – Premium Digital Textile Printing Solution

### Product Overview

Textile Pigment Ink (DTG Ink) is a high-performance, water-based ink designed specifically for Direct-to-Garment (DTG) printing. Ideal for printing on cotton, polyester, and blended fabrics, this ink delivers vibrant colors, a soft hand feel, and exceptional wash durability, making it the perfect solution for custom apparel printing, fashion design, and promotional merchandise.

### Key Features:

#### Exceptional Print Quality:

- High-resolution prints with sharp details and smooth gradients
- Vibrant color reproduction and opacity, even on dark fabrics
- Requires minimal pretreatment for cotton and cotton-blend garments

#### Superior Fabric Compatibility:

- Optimized for 100% cotton, polyester-cotton blends, and light polyester fabrics
- Low-bleed formula ensures clean edges and precise prints

#### Outstanding Durability:

- Wash-resistant for up to 50+ industrial washes without fading
- Soft hand feel—prevents cracking or peeling after multiple washes
- Eco-friendly, non-toxic, and compliant with OEKO-TEX® standards

#### Efficient Production Performance:

- Fast-drying formulation reduces curing time
- Clog-resistant to ensure smooth, uninterrupted printing
- Compatible with most Epson-based DTG printers

#### Eco-Friendly & Safe:

- Water-based and free from harmful chemicals such as PVC, phthalates, and formaldehyde

- 
- Meets REACH, CPSIA, and other international safety standards

Applications:

- Custom T-shirt printing
- Fashion and sportswear
- Promotional merchandise (tote bags, hoodies, aprons)
- Limited-edition apparel and artist collaborations

Available Options:

- CMYK + White Ink Set: Full-color printing with a bright underbase
- High-Opacity White Ink: For vibrant prints on dark fabrics
- Flexible & Stretchable Formula: Ideal for performance wear and activewear

Why Choose Our DTG Pigment Ink?

- Professional-grade print quality – Sharp details and rich colors
- Long-lasting results – Withstands repeated washing
- Easy to use – Works seamlessly with most DTG printers
- Eco-conscious – Safe for workers and the environment

Ideal for:

- Apparel brands and print shops
- E-commerce custom clothing businesses
- Screen printers transitioning to digital
